Refer to Delivery Schedule for Printing Process Day

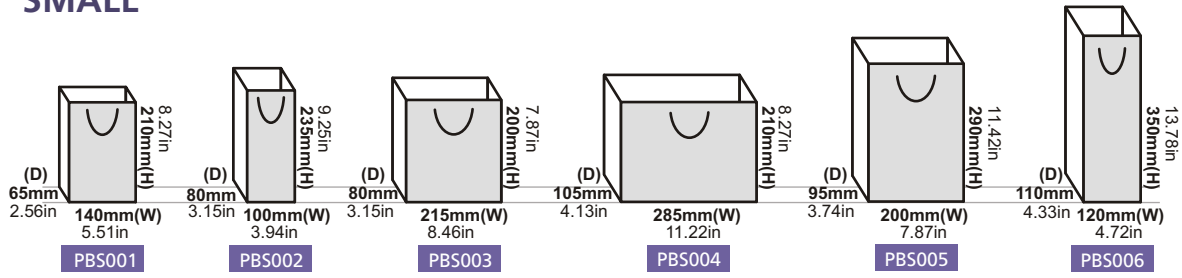

Remarks:

1. Only attach 1 file if 2 sides are same artwork. If different artwork, then attach 2 files.
2. You can have option of different artwork for outer front and outer back, with different Spot UV artwork for each side.
3. However, for the option same artwork on outer front and out back, the artwork of Spot UV varnishes for both sides MUST be the same.
4. Recommended rope is based on the size of paper bag, if customer didn't choose the rope that recommended for that size, they just need bear their own risk on the appearance of paper bag and suitability, will not bring issue for production side.
